# **FINANCIAL ASSISTANCE QUESTIONS AND ANSWERS 2010-2011**

## **PHILOSOPHY:**

To provide Jewish education and enrichment to families who, due to an unforeseen circumstance, are unable to afford the full cost of the Preschool, Chaverim After School Program, Camp Shalom, Camp Shalom Jr., Special Needs and Membership programs.

We offer long-term and short-term programs. The short-term program is designed to assist families who have suddenly been met with a financial crisis such as the loss of a job, death, divorce, medical problems, etc. This program has a maximum duration of one year and is designed to allow families time to recover financially. The long-term program is designed to assist families whose financial circumstance will not likely improve in less than one year.

## **WHAT CAN I RECEIVE ASSISTANCE FOR?**

We offer scholarships for: Chaverim (after-school care), Preschool, Tiny Toddler Town, Preschool Summer Camp, Summer Camp, and Membership. Note: Assistance is only available for general camps, not specialty camps, such as sports, circus, etc.

## **HOW ARE THE APPLICATIONS PROCESSED?**

We realize that providing all the requested information can be an overwhelming task. Please be assured each question we ask is necessary and will be kept strictly confidential. While details of your information are shared with our Assistance Committee, great pains are taken to shield your identity. The application may seem very detailed, but because we are actually sharing community money with you, we must be thorough in our evaluation process.

While we know every family wants the best program for their children, scholarships are granted based on family need, space availability in the requested program and the availability of finances. Our funds are limited and unfortunately, we cannot always offer help.

After completion of the application, please submit it to the Financial Aid Coordinator. All applications will be reviewed by the Scholarship Committee in April and the determination letters will be sent to the home address provided soon thereafter.

## **WHEN DO I NEED TO APPLY?**

One application will be required each calendar year. The current or prior year's tax return must accompany the application. Upon submitting the application, if the last year's tax return is not complete, the award will be contingent on receipt of the current year's W2's and a prior year income tax return. The application will be processed based on last year's tax return or prior, and the current information you provide on your application. If any information is inaccurate, your application may be rejected and any award rescinded.

In order to process your request for financial assistance, please fill out the appropriate registration form and provide any necessary fees due. Registration periods for Camp Shalom, Preschool and Chaverim programs will be open approximately three to six months prior to the start of the program. Applications accepted during the designated time frame will be considered equally. If your application is received after the deadline, assistance may not be available. Applications received after the designated date will be considered after the initial scholarship committee meeting, on a first-come, first-served basis. These awards are contingent on the availability of any remaining scholarship funds.

### **DO I HAVE TO BE A MEMBER OF THE JCC TO APPLY IN BOYNTON BEACH?**

Yes. We feel that your support as a member is critical to the operation of the Center. Your membership must be kept current during the time you participate in the program. If your membership expires and you do not renew it, we will renew the membership for you and place the charge on your account. It must then be paid within 10 days or your child will be removed from our program and your scholarship rescinded. Any outstanding balance will then be due in full.

### **WHAT HAPPENS TO MY DEPOSIT IF I DO NOT RECEIVE A SCHOLARSHIP?**

If you do not receive a scholarship or if the amount is unacceptable to you, you are entitled to a complete refund of any fees paid. However, if you accept the grant and later withdraw (whether you have attended or not), then neither the fee nor membership will be refundable.

### **WILL I CONTINUE TO RECEIVE ASSISTANCE FROM THE JCC?**

It is important to remember that assistance cannot be guaranteed from branch to branch, program to program, or session to session. Once awarded, financial assistance will not continue to other JCC locations nor automatically extended to other programs within a JCC location. Each program has its own budget and continuations cannot always be granted. You must re-apply for assistance each year.

### **HOW DO I PAY MY PORTION OF THE FEES?**

You will be required to make a deposit for any program with your registration form and application for financial assistance. Each program has published deadlines for payment. You must meet those deadlines. If you are past due, your scholarship may be rescinded and you will be responsible for any charges at the full rate. Please make sure you understand the payment deadlines of any program you apply for so that you can plan your budget accordingly. If your account is currently past due and you are applying for a scholarship, your application cannot be considered until your account is made current.

### **CAN MY SCHOLARSHIP BE RESCINDED?**

Yes. If you do not follow the guidelines of the program your scholarship can be cancelled immediately. Your scholarship can be cancelled for the following reasons: refusing to hold a current membership, not keeping your account balance current, incomplete documentation, not being truthful on your application, not informing The JCC of a change in your financial situation.

### **HOW WILL I KNOW IF I HAVE RECEIVED A SCHOLARSHIP?**

You will receive a determination letter regarding your application during the month of May. These letters will be sent to the home address provided on your application. Please refrain from calling the Financial Aid Coordinator for award information. Due to the large volume of applications and processing required for each applicant, we cannot update each person individually. Determination letters will be sent in a timely manor.

### **WHAT DO I DO AFTER I HAVE RECEIVED NOTIFICATION?**

If you have been awarded a scholarship, two copies of the Scholarship Contract will be sent by mail. One copy is for your records and the other is to be signed and returned to the JCC. Please take note of the expiration date of the award and return the Contract to the Financial Aid Coordinator by the due date. Contracts not returned by the due date will expire and the Scholarship Contract will be void.
